In this collection of personal confessions, women describe in intimate detail their most memorable spankings, the stories behind their spanking fetishes and the desires beneath their compulsion to be spanked again and again. Erotica author and researcher Gabriella Luciano interviewed hundreds of women about their experiences getting spanked. From those, she distilled this handpicked assortment of the most vivid, extraordinary and extreme stories. From a kinky affair with a demanding professor, to a strict Columbian step-father, to the extremes of domestic discipline, to a raw fling on the dark streets of New York, to spanking addictions of young women looking for love, these candid stories reveal the complex feelings behind the overpowering desire to be spanked.
