"This is an eminently lucid, readable, and comprehensive survey of classical sociological theory. Adams and Sydie provide thoughtful summaries and assessments of the works of dozens of social thinkers. By significantly broadening the cannon and devoting special attention to call, gender, and race, they bring theory up to date even as they take seriously the rich legacy of the past. I have never read a more exciting introduction to the theories of our discipline."--"Mustafa Emirbayer, University of Wisconsin, Madison"

A concise, yet surprisingly comprehensive theory text, given the range of ideas, historical context, and theorists discussed. Unlike other books of the type, Classical Sociological Theory focuses on how the pivotal theories contributed not only to the development of the field, but also to the evolution of ideas concerning social life.

Capitalism and Classical Sociological Theory, John Bratton, David Denham, Linda Deutschmann, Linda Bell Deutschmann, 2009, Social Science, 334 pages.
